His Worship Allan Thompson
Mayor
Town of Caledon
allan.thompson@caledon.ca

Dear Mayor Thompson:

Since first learning of COVID-19, Ontario has taken decisive action to contain the spread of this new virus.

The health and well-being of public transit passengers and employees is a top priority, and Ontario's public transit systems are critical to supporting the economy and getting people where they need to go.

The province is providing \$15 million to municipalities across the province to support enhanced cleaning of their public transit systems and help reduce the transmission of COVID-19. This funding will assist with the municipality's public transit health and safety measures. I am pleased to advise you of your funding allocation.

The Town of Caledon will be eligible to receive an allocation of up to \$ 25,535 for enhanced cleaning.

In the coming days, we will be forwarding the program details to the primary contact for the Gas Tax Program.

If you have any questions regarding the program, please contact Jamie Pearce, Director, Strategic Investments & Programs Branch, at MTO-Transit_Cleaning_Funding@ontario.ca.

Sincerely,
