

Petition to Stop Further Development on Nunnville Road, Caledon

Petition summary and background	The Town of Caledon is considering granting an application to amend Zoning By-law 2006-50, which will have the effect of permitting the development of a multi-residence subdivision off the east side of Nunnville Road. This will have the effect of substantially increasing the traffic on Nunnville Road, causing congestion at the intersection of Nunnville Road and Albion-Vaughan Road, reducing road safety for residents, and significantly changing the character of the community on this road for the worse.
Action petitioned for	We, the undersigned, are concerned citizens who urge the Town of Caledon and any other government involved in the decision to reject the Application to amend Zoning By-law 2006-50 as proposed.
