To Mayor Thompson and Council

From Caledon Leash Free Action Committee

We commend your accomplishments and continued support for the Caledon-Leash FreePark. We kindly ask that council put into consideration the humble funds for the Caledon-Leash Free Park for much needed upgrades and maintenance. As requested, we would like the council to witness our presentation which will include the 2019 budget for maintenance on the park as well for future consideration of maintenance and upgrades. There are many pressing short and long term concerns with the park that need to be addressed for the good of the community. Our main goal is to restructure the park into a safe and accessible environment for all residents and their dog companions as soon as we have the available resources.
