Organizational Introduction

MISSION

G.E.T. Outreachworks is a nonprofit organization designed to promote education, diversity, and community growth.

GOALS AND OBJECTIVES

The overall goals and objectives for G.E.T. Outreachworks is to promote education, cultural awareness, and to foster positive collaborative relationships through community engagement.

Cultural Emersion through Educational Program

MISSION

The overall mission of C.E.E.P. is for students and the community to understand the value of Black History month. We plan on reaching students by way of presenting at selected schools and impact the community through community outreach.

GOALS AND OBJECTIVES

A program created to develop and foster community involvement and unity. C.E.E.P. promotes the arts through educational curriculum that benefits elementary and high school students and the community.
