Subject: Proposed Cannabis by-law to amend Comprehensive Zoning By-law 2006-50

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the contents to be safe.

I am sending this email on behalf of myself and my partners, Angelo and Emily Sciarra, the property owners of 2049 Highpoint Sideroad.

The proposed by-law, known as "Schedule C" to staff report 2021-0073 prohibits a farming practice of an existing and operating farm.

We are seeking an exception for the property at 2049 Highpoint Sideroad to avoid any future issues.

Kind regards,
