

Comment on the proposed Plan of subdivision of Castlemore corp. File # 21T-20002C and RZ 2020-0005

- 1) RE: the new road connecting the subdivision to the east: Will the new road contain a grassy boulevard or will it be left with a natural vegetation?
- 2) Since the Applicant is a Land Developer, will he:
 - a) Build the new homes
 - b) Sell the lots to one or more builders
 - c) Will there be any architectural control on the new homes
- 3) Where will the services for the development come from?
- 4) Once the plan of subdivision is approved, has the Town received any time table as to when the construction will start and end
