

NO MORE LOCKDOWNS PETITION

A Petition to the Municipal Council of BOLTON / City – End the Lockdowns

WHEREAS the Government of Ontario has severely restricted the ability of small businesses to operate and employ people for extended periods of time over the last year;

AND WHEREAS the Government of Ontario has allowed their “big box” competitors access to the marketplace;

AND WHEREAS far too many small businesses have closed their doors permanently, while others are not likely to survive;

AND WHEREAS people are social beings, requiring human interaction as a necessity of life;

AND WHEREAS our communities can function normally while still offering protection and safety of those vulnerable to COVID-19;

WE, the undersigned, petition the municipal council to adopt a resolution calling on the Government of Ontario to end the lockdowns, repeal the Reopening Ontario Act, and get the province back to work and functioning as a proper society.
