**Please state the purpose of the request to present (identify the subject matter to be discussed and any other relevant information):**

Golf Canada, a not-for-profit registered Canadian Amateur Athletic Association, seeks to establish new National Headquarters for several golf-industry associations and create a national location for the First Tee Canada (the sports grassroots junior participation program built with diversity, equity, and inclusion as the primary pillars). A landmark facility located at the corner of Main St. and Beechgrove Sideroad, Caledon, Region of Peel, this vision is being undertaken with permission on property owned by Osprey Valley Resorts Inc. (TPC Toronto at Osprey Valley). The project is also highlighted by a 30,000 ft<sup>2</sup> outdoor Community Putting Green, providing an entry point to the sport of golf for thousands of youth and the surrounding communities. This community putting green will serve the First Tee Canada's Community & School programmatic elements and be a free-to-use, accessible recreation facility utilized by the YMCA, local schools, and Boys and Girls Clubs. Kids will have the chance to learn about golf and develop character through fun golf games at a new Community Putting Green. Golf Canada seeks to present to the Town of Caledon regarding their support of this project and seek feedback early in the feasibility stage of the project's development.
