I am emailed to support the Caledon Rink being named after the strongest, most warm hearted boy I have had the privilege to know. My son has known Reese since he was 1 years old; meeting right there at the community center. In the same building my son and Reese played hockey for the next 10 years together. Not a day goes by that we do not think of Reese and to have other people drive past and remember a much loved and missed boy would mean a lot to the people in this town!
