The Official Plan is an overarching policy document consisting of goals, objectives, policies and maps that will guide Caledon's growth and development to the year 2051. It strives to maintain a high quality of life for residents and sets out the expectations for future community and employment areas, transportation and municipal services, and use of land.

Caledon's plan focuses on:

- natural resources and agriculture;
- tourism, heritage, healthy communities and culture;
- transportation, technology and infrastructure;
- growth, settlement, housing and employment; and
- climate change.

The draft Official Plan will apply to all lands within the municipal boundary of the Town of Caledon. However, secondary plan areas will be addressed through a separate review and public consultation process.
