CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the contents to be safe.

Dear Ms Herd and Ms Hall

As you may know, Danny McMullen resigned from the Board of the BIA effective March 8th. In his place, the Board nominates Daniela De Abreu. Daniela operates a business, BeForYou Women's Yoga and Wellness at 26 Queen Street South in the BIA area. Daniela has agreed to accept nomination. She has previously come forward to volunteer assistance at various events in the downtown including Midnight Madness and the Summer Market. She would be a wonderful addition to the Board. Please arrange for this nomination to be considered by Council at the earliest possible date.

Thank you

Jean Carberry, Chair Downtown Bolton Business Improvement Area
