SURVEY RESPONSE REPORT

10 February 2022 10 March 2022

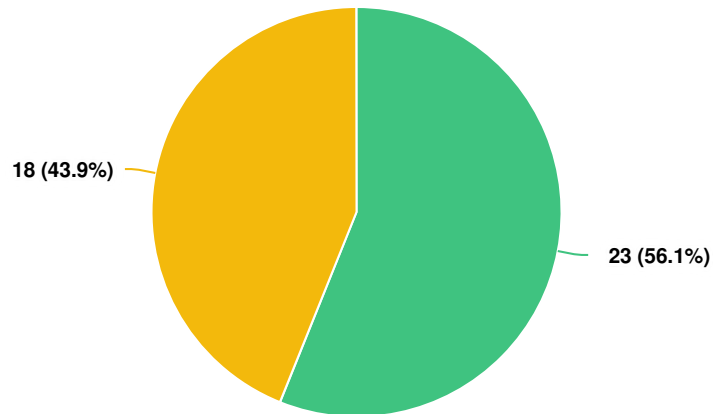

PROJECT NAME:

Boulevards

SURVEY QUESTIONS

Q1 Are you interested in being able to plant flowers on the boulevard?

Question options

- Yes
- No

Mandatory Question (41 response(s))
Question type: Radio Button Question

Q2 | If this by-law is passed, what type of flowers would you plant in the boulevard?

Screen Name Redacted Petunias, russian sage, sedum spurium, tulips, cheddar pinks.

2/10/2022 01:44 PM

Screen Name Redacted Grass

2/11/2022 03:50 PM

Screen Name Redacted Daylilies and wildflowers

2/11/2022 04:38 PM

Screen Name Redacted Sunflowers

2/11/2022 06:59 PM

Screen Name Redacted Daylilies, Rudbeckia, hostas, sedum, echinacea, lavender, ornamental grasses

2/12/2022 08:05 AM

Screen Name Redacted None

2/12/2022 08:57 AM

Screen Name Redacted one of my choosing

2/13/2022 04:38 PM

Screen Name Redacted Native Ontario Plants

2/13/2022 07:57 PM

Screen Name Redacted Unsure - probably seasonal annuals

2/14/2022 12:59 AM

Screen Name Redacted Lillies, hostas and tulips

2/14/2022 12:36 PM

Screen Name Redacted native plants only, to support pollinators and wildlife

2/15/2022 09:50 AM

Screen Name Redacted Grass, assorted blooming flowers

2/15/2022 08:15 PM

Screen Name Redacted tulips, pansy, petunia, etc

2/16/2022 08:41 PM

Screen Name Redacted 2/16/2022 08:43 PM	Seasonal flowers, pollinators.
Screen Name Redacted 2/18/2022 10:44 AM	n/a
Screen Name Redacted 2/20/2022 08:04 AM	Native
Screen Name Redacted 2/20/2022 08:45 AM	Native Ontario flowers. And town should plant flowers in ditches. Ie. Redone section of McLaughlinRd
Screen Name Redacted 2/24/2022 12:22 AM	All native perennial flowers
Screen Name Redacted 2/24/2022 11:27 AM	Low growing native plants that attract pollinators
Screen Name Redacted 2/24/2022 12:52 PM	Native perennials and butterflyway species
Screen Name Redacted 2/25/2022 01:00 PM	Native plants and grasses for pollinators
Screen Name Redacted 2/26/2022 06:08 PM	wild flowers
Screen Name Redacted 2/27/2022 11:59 AM	We don't need flowers. We need more parking
Screen Name Redacted 2/27/2022 05:34 PM	Native pollinator plants - we are currently working to introduce some in Alton Village!
Screen Name Redacted 2/27/2022 07:17 PM	Pollinators, perennials, ground covers, which are salt tolerant.
Screen Name Redacted 2/28/2022 08:05 AM	It's time for property tax rebates

Screen Name Redacted None

2/28/2022 08:48 AM

Screen Name Redacted Mulch

3/02/2022 01:26 PM

Screen Name Redacted Flowers native to ontario

3/03/2022 11:02 PM

Screen Name Redacted Tulips

3/08/2022 02:04 PM

Optional question (30 response(s), 11 skipped)

Question type: Single Line Question

Q3 What types of encroachments would you submit a permit application for?

Screen Name Redacted Possibly a street work premit.

2/10/2022 01:44 PM

Screen Name Redacted Paving stone

2/11/2022 06:59 PM

Screen Name Redacted None. The boulevard is where snowplows dump snow which includes salt. Perennials, which die down each year would be the best fit. Bushes, etc. would be destroyed by the snow dumped on top.

2/12/2022 08:05 AM

Screen Name Redacted None. Please don't pursue this bylaw. It's bad enough residents are paving over their front lawns to park their cars. Now the boulevards will be a mess too with woodchips and weeds sky high.

2/12/2022 08:57 AM

Screen Name Redacted soft

2/13/2022 04:38 PM

Screen Name Redacted Anything permanent or requiring deep digging or structures (statues, large planters), anything that might obstruct visibility (for safety reasons)

2/14/2022 12:59 AM

Screen Name Redacted I don't think you should allowing planting on the blvd. in my neighborhood everyone has a dog and the blvd grass is a great place

2/14/2022 07:53 PM

to do their business it it isn't there it's going to be on someone's lawn, and regardless of whether you pick it up or not, it still irritates home owners

Screen Name Redacted

2/15/2022 09:50 AM

hardscaping

Screen Name Redacted

2/16/2022 08:04 PM

none - only soft should be allowed

Screen Name Redacted

2/16/2022 08:41 PM

sprinklers

Screen Name Redacted

2/16/2022 08:43 PM

Any type of stone or concrete work. Or automatic sprinklers.

Screen Name Redacted

2/18/2022 10:44 AM

to plant trees

Screen Name Redacted

2/20/2022 08:45 AM

Soft landscaping

Screen Name Redacted

2/24/2022 12:22 AM

Mine will all be soft landscaping, so no need to apply for a permit

Screen Name Redacted

2/24/2022 11:27 AM

Removal of all turf to plant a garden

Screen Name Redacted

2/24/2022 11:44 AM

Large stone work

Screen Name Redacted

2/25/2022 01:00 PM

soft landscaping native plants

Screen Name Redacted

2/25/2022 01:23 PM

Tree planting

Screen Name Redacted

2/25/2022 01:33 PM

hardscaping in boulevard area that restricts grass cutting, could pose a tripping hazard if interferes with safe walking or makes pet cleanup difficult

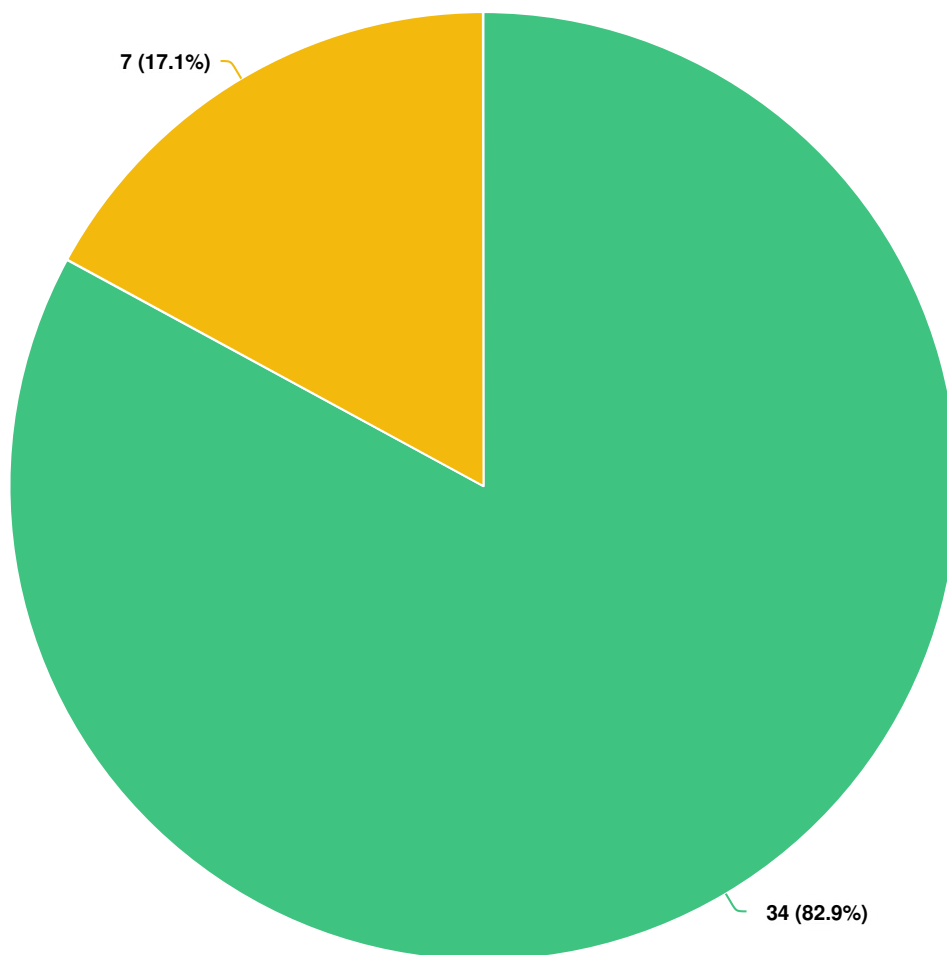

Schedule C to Staff Report 2022-0091: Survey Report

Screen Name Redacted 2/25/2022 11:27 PM	Driveway widening
Screen Name Redacted 2/26/2022 06:08 PM	none, just grass
Screen Name Redacted 2/27/2022 11:59 AM	We should be allowed to park without tickets in boulevards. With little to no affordable housing we have nowhere to park an additional car
Screen Name Redacted 2/27/2022 07:17 PM	None
Screen Name Redacted 2/28/2022 08:05 AM	None the Town needs to stop divulging their responsibilities to property owners
Screen Name Redacted 2/28/2022 08:48 AM	None
Screen Name Redacted 3/02/2022 01:26 PM	None
Screen Name Redacted 3/03/2022 11:02 PM	n/a
Screen Name Redacted 3/08/2022 02:04 PM	Pond Rocks

Optional question (28 response(s), 13 skipped)

Question type: Essay Question

Q4 Do you currently cut the boulevard grass as part of your lawn maintenance?

Question options

- Yes
- No

Mandatory Question (41 response(s))
Question type: Radio Button Question

Q5 What are your thoughts on residents being required to maintain the boulevard grass?

Screen Name Redacted

2/10/2022 01:44 PM

Personally I'm fine with this. I'm already out cutting my grass so I don't see the problem maintaining the boulevard grass as well, hopefully others agree as well.

Screen Name Redacted

2/11/2022 03:50 PM

Must have grass without weeds and cut.

Screen Name Redacted

2/11/2022 04:38 PM

We are already doing it

Screen Name Redacted

2/11/2022 06:59 PM

I think this should be required because it's our property

Screen Name Redacted

2/11/2022 07:01 PM

I believe it should be mandatory that residents care for their boulevard grass which includes mowing, watering & weeding... far too many do not care for that strip of land at all. Clearly they are of the opinion that the town is responsible. BTW, I strenuously object to your proposal that residents will now be allowed to pave that strip of land... the town is now going to look like a parking lot. I suggest you re-think that idea!

Screen Name Redacted

2/12/2022 08:05 AM

Well if they didn't, the boulevards and streetscape would soon look very messy.

Screen Name Redacted

2/12/2022 08:57 AM

Residents should maintain the boulevard and ensure grass is cut.

Screen Name Redacted

2/13/2022 04:38 PM

i don't think there should be a requirement. residents are in charge and although it can become unsightly if a small number are not taken care of, the community can address their own needs without needing a requirement by the government.

Screen Name Redacted

2/13/2022 07:57 PM

It should be expected. Hardscaping should be excluded from this by-law. It may be assumed this area could then be used as extra parking and the benefits of the change was (as I was as led to believe) to encourage native plant species and pollinators.

Screen Name Redacted

Reasonable if residents are also permitted to landscape.

Schedule C to Staff Report 2022-0091: Survey Report

2/14/2022 12:59 AM

Screen Name Redacted

I don't see a problem with it, my neighbours and I already do it.

2/14/2022 12:36 PM

Screen Name Redacted

Fine, it comes with the territory.

2/14/2022 07:53 PM

Screen Name Redacted

it is necessary to prevent ticks and other issues, but we should be able to plant with different native plants

2/15/2022 09:50 AM

Screen Name Redacted

I agree residents should maintain the boulevard grass. I think it is a positive community pride and beautification effort.

2/15/2022 08:15 PM

Screen Name Redacted

don't agree with it - if it's not owned by the homeowner, it's the municipalities responsibility to do it.

2/16/2022 08:04 PM

Screen Name Redacted

I thought it was mandatory and part of home ownership. Based on what my neighbourhood looks like I didn't know you had to get permits for the boulevard as so many have them done without permits. Maybe the city can do a better job enforcing these and other bylaws in the future.

2/16/2022 08:41 PM

Screen Name Redacted

Usually in most towns its mandatory, btw this is a little strange, if bylaw takes a drive into South fields every other house already has hard landscaping on the boulevards plus not to mention the widening of driveways. Some house don't even have any grass on thr front of their properties. I think the city needs to reevaluate the bylaws it passes and maybe enforce them. South fields is becoming a joke. Tired of seeing 5 -7 cars parked in front of one house.

2/16/2022 08:43 PM

Screen Name Redacted

Absolutley.

2/18/2022 10:44 AM

Screen Name Redacted

Yes they should

2/18/2022 12:23 PM

Screen Name Redacted

should be mandatory

2/18/2022 01:34 PM

Schedule C to Staff Report 2022-0091: Survey Report

Screen Name Redacted

2/20/2022 08:04 AM

definitely... but would love to see more native florals along the boulevards, ditches and Caledon Trailway for the birds, bees, butterflies etc.... Wouldn't that be awesome for the 2 legged humans to explore. I would like to see that property owners would also remove their garbage bins off the street after pickup, to provide more public parking for visitors to the village of Inglewood.

Screen Name Redacted

2/20/2022 08:45 AM

It's to be expected as part of owning the house

Screen Name Redacted

2/21/2022 09:27 PM

I believe residents should be cutting the boulevard grass

Screen Name Redacted

2/24/2022 12:22 AM

I think it is right to have residents mow the boulevards

Screen Name Redacted

2/24/2022 11:27 AM

As long as it is maintained (weeded, kept low)

Screen Name Redacted

2/24/2022 11:44 AM

Residents should be required to maintain the boulevard, most do not even realize that a large portion of their front lawn is actually town property. Most owners think they own up to sidewalk.

Screen Name Redacted

2/24/2022 12:52 PM

Should have plants that are native or butterfly species instead.

Screen Name Redacted

2/24/2022 07:34 PM

My definition of boulevard grass is the area between the sidewalk and the road. Since many homes in Caledon are in rural areas does the definition also include ditches? If so, I feel there is a real difference between being required to do it and being encouraged to do it. If it includes ditches, some are so steep, that it is a safety hazard and the town is better equipped to maintain these areas.

Screen Name Redacted

2/25/2022 01:00 PM

Would prefer that grass be replaced with native plants but as long as it's maintained to a reasonable length. Native plants and flowers should probably be kept no taller than about 0.8 metres like the City of Guelph. No large rocks, structures or containers

Screen Name Redacted

2/25/2022 01:23 PM

Part of your civic duty. Everyone should do it

Screen Name Redacted

2/25/2022 01:33 PM

It's an extension of the property, so at a minimum, it should be consistent and mowed.

Screen Name Redacted

2/25/2022 11:27 PM

They should have to be maintained consistently and provide a green and maintained buffer between the private property and the street. Parking cars encroachment on boulevards should be banned completely.

Screen Name Redacted

2/26/2022 06:08 PM

Residents should cut the grass on the boulevard when they cut their lawns to make the streetscape blend in to the rest.

Screen Name Redacted

2/27/2022 11:59 AM

Don't we have too? Since when is this an option. If you don't cut it your lawn will look awful

Screen Name Redacted

2/27/2022 05:34 PM

It sounds like ensuring it gets done to a respectable standard and on a reasonable timeline might be an issue if residents are in charge of mowing boulevard grass. If there's an agreement in place and some preliminary information on standards of care provided (as well as consequences of neglect), I think it could work. My gut feeling is that residents will be more interested in planting flowers and other plants, and maintenance will become an issue.

Screen Name Redacted

2/27/2022 07:17 PM

I believe it should be the responsibility of the resident to maintain the boulevard, whether it be grass or flowers.

Screen Name Redacted

2/28/2022 08:05 AM

It once again shows the underlying motivations of the Town - do less but collect more \$\$\$. Always the oppressor - sigh!

Screen Name Redacted

2/28/2022 08:48 AM

It needs to be done by the resident. Keeps the area looking aesthetically pleasing.

Screen Name Redacted

3/02/2022 01:26 PM

I think it should be taken care of. We moved in and it hadn't been and was difficult to clean

Screen Name Redacted

3/03/2022 11:02 PM

Sounds great!

Screen Name Redacted

3/08/2022 02:04 PM

I think it's important that we maintain our boulevards to keep the community looking nice. To many people are paving their front lawns

for more parking in my neighborhood. I always want to report them to bylaw but worried about the consequences of having to live beside someone that I reported to a by law officer. My streets is often getting flooded in Bolton and I feel that the paving of front yards has something to do with this.
