To Whom It May Concern,

Raffi's Memorial Hockey Tournament is in honour of Raffaele Scerbo who passed away due to a brain tumour in 2020 at the age of 14. He and his family were/are part of the Caledon community. Raffi was an avid hockey player who loved his family and friends and was well loved by all who knew him. Our goal is to bring people together to honour his legacy and to be able to provide a social setting for non-hockey players to remember and socialize in celebration of his life.

Raffi's Rebels is a group of Raffaele Scerbo's family and friends who come together to remember him and raise money for brain tumour research. Raffi's former teachers, friends and even those who didn't know him personally would like to gather socially to reminisce over a drink and support the cause. This would be done responsibly within the banquet hall only. The tournament will take place on April 29, 2023 at the Caledon East Community Complex at 6215 Old Church Rd in Caledon East. The event will occur between the hours of 8am until 1am April 30, 2023 including set up and tear down. We are hoping to serve alcohol between the hours of 4pm and 12am. As well we would like to sell food and non-alcoholic beverages such as water and coffee for the duration of the tournament and all of this would be confined to banquet hall A. We hope to raise funds through hockey registration, donations, and through the sale of food and drink. All proceeds to go to brain tumour research at Sick Kids.

The event will be open to the public and because we are not a charitable organization, the AGCO requires us to obtain a municipal significance designation for the event. The Raffi's Rebels team asks that the Town of Caledon kindly grant us the Municipal Significance Designation required for us to obtain a liquor licence for this event.

Sincerely,

The Raffi's Rebels Team
