Subject: Request to Present at Council - Wildfield Village Landowners Group

Categories: Responded, Pending

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the contents to be safe.

Good afternoon,

I would like to submit the following request to present at a future Council Meeting. I have attempted numerous times to fill in the online "Participation in Council and Committee meetings" form, however the submission keeps getting flagged for "potentially dangerous content" and I am unable to proceed. Please see below all relevant information for the request to present for information purposes:

Presentation Description: SGL Planning & Design Inc. represents the Wildfield Village Landowners Group who own and control a significant portion of land in the concession block bound by Healy Road, The Gore Road, Mayfield Road and Centreville Creek Road. Wildfield Village is envisioned as a 15-minute walkable, complete community, incorporating a variety of housing, employment and mobility options along with high quality mixed-use built form, park space, greenway connections and a diverse public realm. The delegation will address the phasing of Caledon's new Community Area lands and the importance of including Wildfield Village in the first stage of development which is a logical progression of development from the built up area to the south.

A copy of the presentation will be submitted upon request.

Presenter Information:

Paul Lowes
SGL Planning & Design Inc., on behalf of the Wildfield Village Landowners Group
416-923-6630 Ext. 23 – Office Phone
plowes@sglplanning.ca

Please let me know if there is an alternative method in which this information needs to be submitted.

Thank you,
Sierra
