

The background features a collection of overlapping, semi-transparent geometric shapes and circles in various colors including pink, light blue, yellow, orange, and light green. These shapes are arranged in a way that creates a sense of depth and movement, with some shapes appearing to be in front of others. The overall aesthetic is clean and modern.

Dufferin County Multicultural Foundation

Our History

2017

We started planning the very first Multicultural event.

2018

We held the first Multicultural event in Shelburne with community partners such as Shelburne Library, MPP Sylvia Jones, Councillor Steve Anderson, our local elementary schools, Shelburne Police Department, Shelburne Fire Department and our community.

2019

The event doubled in size. The event showcased arts, poetry, food and various entertainment from not only Shelburne but Dufferin County. We had amazing sponsors to help support our growth.

2020

We held our first virtual event. Thanks to the amazing support from our sponsor, political leaders, community partners and Dufferin County and beyond it was a great success!

Our History

- **2021**
June 27th was proclaimed Multicultural Day for the first time here in Dufferin by Warden White.
- The Unity in Diversity flag representing Multicultural Day was created by the multicultural committee. The flag was raised throughout the Townships of Dufferin and Caledon.
- We thought we would give back to the community highlighting the achievements of our great leaders who work behind the scenes. With the partnership of MP Kyle Seeback, MPP Sylvia Jones, Deputy Mayor Steve Anderson, Caledon Councillor Johanna Downey, Museum of Dufferin and our committee were able to recognize these community leaders.

2022 Year in review

2022 was a very special year for us.

- It marked our 5 years and we also became a registered non-profit to better serve communities in promoting diversity, inclusion and equity.
- The 2022 Multicultural Event was one of the largest events we have hosted. It showcased cultural education sessions, arts, crafts, performances, sports & food from Dufferin County and beyond. The event featured artists from across Ontario, history and showcase of the Sikh and Muslim community, performances from the Scottish and Irish, Caribbean, South Asian and African cultures, Indigenous Community teaching of the medicine wheel, education session on the game of cricket, and an exhibit of BIPOC inventors.
- The event was held in partnership with the Museum of Dufferin (MoD), where the art and culture of the community was left on display for a short period after the event.
- Dufferin County Townships and Caledon proclaimed June 27th Multicultural Day in Dufferin County raising the Unity in Diversity flag.
- 2022 Art and Culture - Award Recipient
