### DISCUSSION

#### Background

In 2022, the Municipal and School Board Election was conducted for the Town of Caledon. During the campaign period, candidates were permitted to receive contributions from individuals who are normally residents of Ontario. Contributions were required to be reported within a candidate's Financial Statement filed with the Town by April 30, 2023.

In accordance with the Act, in April 2022 Council established a Municipal Election Compliance Audit Committee with recruitment of Members being finalized by September of that year. The role of the Municipal Election Compliance Audit Committee is to address requests for an audit of a candidate or third-party advertiser's campaign finances. Further, the Committee considers reports from the Town Clerk of apparent over-contribution. Therefore, the purpose of this report is to carry out the requirements of the Act by bringing forward a report of apparent over-contribution by a contributor for consideration by the Committee.

#### Legislative Framework

As per Section 88.34 (1) of the *Municipal Elections Act, 1996*, the Town Clerk is required to review contributions reported on the Financial Statements of candidates to determine whether any contributors appear to have exceeded any of the contribution limits pursuant to Section 88.9.

## Staff Report 2023-0377

---

Section 88.34 (2) of the Act requires the Town Clerk to prepare a report identifying each contributor to a candidate for an office on Council who appears to have contravened any of the contribution limits of Section 88.9. This Section sets the maximum contributions to candidates as follows:

- A contributor shall not make contributions exceeding a total of \$1,200 to any one candidate in an election; and
- A contributor shall not make contributions exceeding a total of \$5,000 to two or more candidates for office on the same Council or local board.

If a contributor's total contributions to two or more candidates for office on the same Council appear to exceed the limit, the Act requires that the Town Clerk's report shall set out the contributions made by that contributor to all candidates for office on the same Council. This information is listed below as required.

The Town Clerk must forward each report to the Municipal Election Compliance Audit Committee. Within 30 days after receiving the report, the Municipal Election Compliance Audit Committee shall consider it and decide whether to commence a legal proceeding against a contributor for an apparent contravention.

### Notice of Meeting

Reasonable notice of the meeting of the Municipal Compliance Audit committee is required to be given to the contributor and candidates to which their contributions relate as well as the public. Further, the meeting agenda was posted 22 days prior to this meeting on June 19, 2023 for consideration by members of the public.
