Good afternoon, Mayor Groves and Area and Regional Councillors.

On behalf of the Directors of the Alton Village Association I am writing to request that you all cast your vote to renew the ICBL for a second year.

We need to allow the Town Planning staff the additional time to review the detailed studies that must be undertaken to develop more robust aggregate policies. We are all aware this will be critical moving forward, given aggregate expansion in Caledon.

As always your ongoing support to our communities is greatly appreciated.

Sincerely Mary Cooney - President Alton Village Association
