Subject: Agenda Item 15.2.2 Illegal Trucking

Please add my comments to this week's agenda.

Council,

Please stop allowing illegal truck yards to pop up in Caledon on a consistent basis. The mental strife this has caused to family and friends with the absolute non stop onslaught of trucks in this FAMILY FRIENDLY Community needs to stop before families are torn apart by accidents with trucks.

No citizens want them here, Why are you allowing this to happen. I trust you do what's right for Caledon.

Thank you,

John Garbutt
