Hello. These are questions to look at for the meeting coming up Sept 24th.

1. I'd like to know what steps are being taken to stop the illegal trucking?
2. What is going to be done to help eliminate trucks coming off 427 at Mayfield?
3. What is being done to stop these container yards on Vaughan and Peel (Brampton) sides of hwy 50 that is significantly affecting traffic congestion coming into Bolton? I was coming off Mayfield the other day at 3pm

And the traffic was backing up on the ramp towards the highway!

Something needs to be done.

We need more Opp presence, more traffic cameras....

Thank you
