Subject: Illegal trucks

Hello,

I am a young driver and resident of Bolton, and it concerns me how many tractor trailers are driving recklessly in the area. These drivers speed and run through red lights, ultimately killing numerous amounts of innocent people who are obeying traffic laws. It doesn't seem like the actions of these drivers are being monitored by anyone; evident through their continuous dangerous driving in residential areas. I, along with everyone else would like to see a significant decrease of these 18 wheeler trucks in the Bolton/Caledon area to ensure the safety of residents. I would like my comments added to this weeks agenda and circulated to council reference..agenda item 15.2.2 illegal trucking-council meeting Tuesday September 24, 2024.
