Subject: Illegal Trucking

Hi,

I'm a mother of two young adults who are between the ages of 16 and 19.

I am filled with anxiety and fear when driving and especially when my children drive because of all the occurrences and accidents happening in and around Bolton.

The trucks have taken over our roads, the drivers of these trucks have caused many accidents leading to fatalities.

The illegal truck yards must be shut down.

It's time to take action.

I'm not happy. Many people are not happy.

I want my comments to be added to this weeks agenda and circulated to council
