Subject: AGENDA 11.5 - SAFE DRIVING AND TRUCK OPERATING ADVISORY COMMITTEE

This email is in reference to agenda item 11.5 Mayor Annette Groves
a Safe Driving and Truck Operating Advisory Committee

I am a resident of Bolton.

I would like to see residents also on this a Safe Driving and Truck Operating Advisory Committee.

I would also like to see every letter sent out, every response received from the neighbouring municipalities and their mayor's and council. Everything MUST be transparent. This also goes with any member of Parliament and the Premier's office.

Sincerely,

Maria Toni
