

OFFICE CONSOLIDATION

This is a consolidation of the Town's by-law to Consolidate Reserve Funds being By-law 2020-104 as amended by By-law 2021-046, 2022-033 and 2022-046. The following consolidation is an electronic reproduction made available for information purposes only and is not an official version of the by-law. Official versions of all by-laws can be obtained from the Town Clerk by calling (905) 584-2272. If there are any discrepancies between this consolidation and By-laws 2020-104 and 2021-046, 2022-033 and 2022-046 the by-laws shall prevail.

THE CORPORATION OF THE TOWN OF CALEDON

BY-LAW NO. 2020-104

Consolidated Reserve Funds By-law

WHEREAS Section 11(2) of the Municipal Act, 2001, c.25, as amended, provides that a municipality may pass by-laws respecting the financial management of the municipality;

AND WHEREAS Section 417 of the Municipal Act, 2001, S.O 2001, c.25 and amendments thereto, allows a municipality to provide for the establishment or maintenance of reserve funds for any purpose for which it has authority to spend money;

AND WHEREAS The Corporation of the Town of Caledon is operating a number of Reserves and Reserve Funds;

AND WHEREAS the authority for such Reserve Funds and the purpose for which they are established is to be clear in all cases;

AND WHEREAS it is deemed expedient to consolidate the authority for all Reserve Funds into one by-law;

AND WHEREAS the Council of The Corporation of the Town of Caledon deems it expedient to establish consistent principles, standards and guidelines for the maintenance, management and accounting of reserves and reserve funds;

NOW THEREFORE the Council of The Corporation of the Town of Caledon ENACTS AS FOLLOWS:

Part 1 - General

- 1.1 The Reserves and Reserve Funds as set out in Schedule "A" attached hereto are hereby ratified and confirmed as Reserve Funds under the provisions of section 417 of the Municipal Act 2001, SO. 2001, C.25.
- 1.2 The Delegated authority as set out in Schedule "A" attached hereto is hereby approved by Council.

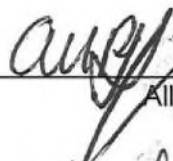

Part 2 - Transition

- 2.1 By-law's 80-57, 90-76, 99-129, 2003-160, 2005-170, 2008-11, 2010-029, 2010-074, 2011-092, 2011-017, 2013-042, and all amendments thereto are hereby repealed.
- 2.2 Any other by-laws or provisions in other by-laws found to be inconsistent with this By-law are hereby deemed to be repealed.

Enactment

This By-law shall come into full force and effect on the day of its passing.

Enacted by the Town of Caledon Council this 24th day of November, 2020.

Allan Thompson, Mayor

Laura Hall, Town Clerk

The seal of the Town of Caledon is circular with a star in the center. The text around the star reads "TOWN OF CALEDON" at the top and "OFFICE OF THE CLERK" at the bottom. There is also a small date "Nov 23 2020" on the right side of the seal.

Schedule A to By-law 2020-104

Amended by By-law 2022-046, effective June 28, 2022

Reserve	Source of Funding	Purpose	Optimum Balance/Rationale for Levels Established	Rules of Use/Source of Funding /Other Considerations
Reserves for Operating Purposes				
Reserves				
Tax Funded Operating Contingency Reserve	No annual contributions	To be used to meet cash flow requirements and unforeseen contingencies through out the year. Reserve will also be used to stabilize tax rate increase.	Target level is 5%-10% of the tax levy to provide for cash flow requirement plus amount sufficient to fund emergencies, unforeseen events or unrealized revenue.	Council Resolution is required for draw from reserve and reserve is funded through annual operating surplus.
Fire Equipment Reserve	Contributions are received from Fire's Operating Budget	To be used for Fire Equipment in order to mitigate impact on tax base.	No minimum balance is required for this reserve as there are annual budgeted contributions to replenish and to mitigate the impact on the tax base.	Council Resolution is required to draw from the reserve and reserve will continue to be funded through Fire Departments Operating Budget.
Building & Equipment Reserve	Contributions are received from divisional operating budgets such as Facilities, Engineering, Recreation and Corporate Account	Reserve will be used to provide funding for Building and equipment to mitigate impact on Tax base as estimated by Town's Asset Management Plan	No minimum balance is required for this reserve as there are annual budgeted contributions to replenish and to mitigate the impact on the tax base.	Council Resolution is required to draw from the reserve and reserve will continue to be funded through contributions received from divisional operating budgets such as Facilities, Engineering, Recreation and Corporate Accounts.
Land Sales Reserve	Contributions are received from net proceeds of Sale of Town Property	For the Purchase of Town properties, the acquisition of lands, including an interest in lands other than the fee simple interest, for the provision of municipal capital facilities for Caledon and to assist Council in determining whether it is in the public interest to declare Caledon lands as surplus, and to prepare Caledon lands for sale where Council determines that it is in the public interest that the lands be declared to be surplus.	No minimum balance is required for this reserve as it is to be used for noncritical purpose and to mitigate the impact on Tax needs.	Council Resolution is required to draw from the reserve and reserve will continue to be funded through Sale of Town's property. Treasurer is authorized to deposit into the reserve fund all and any net funds received by Caledon as a results of the sale of any lands owned by Caledon and sold as surplus lands, and to authorize expenditures which would assist Council in determining whether it is in the public interest to declare Caledon lands as surplus and expenditures which would prepare Caledon lands for sale where Council determines that it is in the public interest that the lands be declared as surplus lands.
Ice Resurfacer Reserve	Contributions are received through 3% of arena ice rental revenue.	To provide funding for Recreation Equipment	Minimum Balance targeted to replacement of 1 Ice Resurfacer is required to manage unforeseen needs.	Council Resolution is required to draw from the reserve and reserve will continue to be funded through a portion of arena ice rentals
Information Systems and Technology Reserve	Contributions are received from Legislative Services Operating Budget	For software and technology purchases	No minimum balance is required for this reserve as there are annual budgeted contributions to replenish and to mitigate the impact on the tax base.	Council Resolution is required to draw from the reserve and reserve will continue to be funded through contributions received Corporate Services operating budget.
Election Reserve	Contributions are received from Legislative Services Operating Budget	To finance future Town costs to administer municipal election	No minimum balance is required for this reserve as there are annual budgeted contributions to replenish and to mitigate the impact on the tax base.	Council Resolution is required to draw from the reserve and reserve will continue to be funded through contributions received from Legislative Services Operating Budget.
Firefighter Post-Retirement Benefits Reserve	Contributions are received from operating surplus.	This reserve fund has been set up as per Staff Report 2018-025 to award post-retirement employment benefits to eligible full-time firefighters up-to age 65.	Minimum balance equal to most recent actuarial estimate is required. Reserve will be utilized to reduce impact on tax base in any given year.	Council resolution is required to draw from reserve and reserve will continue to be funded through surplus from yearend Operating surplus.

Schedule A to By-law 2020-104

Amended by By-law 2022-046, effective June 28, 2022

Reserve	Source of Funding	Purpose	Optimum Balance/Rationale for Levels Established	Rules of Use/Source of Funding /Other Considerations
Caledon Public Library Board Donation and Bequests Reserve Fund	Contributions are received from cash donations and funds raised as part of the Caledon Library Board's fundraising strategy.	The Reserve Fund was established to receive and hold donations and bequests received by the Caledon Public Library until utilized to support special programs or initiatives outside of the annual operating budget.	No minimum balance is required for this reserve, the reserve will be utilized to support special programs or initiatives.	Withdrawals or allocations from the Caledon Public Library Board Donation and Bequests Reserve Fund require the authorization of the Caledon Library Board in alignment with the guidelines of the Caledon Public Library Donation and Bequest Reserve Policy that will be adopted for this purpose.
Discretionary				
Winter Maintenance	Contributions are received from annual operating budget as well any surplus from Winter Maintenance Operating Budget	This reserve has been set up per Council direction to provide winter maintenance funding as needed to offset unusual/severe winter maintenance costs.	Minimum balance of this reserve to be based on 5 years of average winter control cost is required to manage unforeseen needs.	Treasurer is authorized to draw from reserve to be used to offset Deficit in the Winter Maintenance Operating Budget in any given year and be subsequently reported to council in the yearend council report. Reserve will continue to be funded from contribution received from annual operating budget as well as any Winter Maintenance Operating Budget Surplus.
Group Benefit Stabilization	Surplus from Group Benefit Plan budget when available and as provided	This reserve was established in 2011 to mitigate higher health and dental claim payments that may occur in a future year. The Town is self-insured for its benefit plans meaning that it funds the plans at a pre-determined rate based on historical claim patterns. In a given year if we have a large spike in actual claims, this reserve is used to fund these initiatives.	No minimum balance is required for this reserve as it is to be used for noncritical purpose and to mitigate the impact on Tax needs.	Treasurer is authorized to draw from reserve to offset deficit in benefit expenses in any given year and be subsequently reported to council in a year-end council report. Reserve will continue to be funded by surplus from the Group Benefit Plan budgets when available.
Community Improvement Plan	Surplus from Unpaid grants	Established in 2009 to carry forward unexpended Community Improvement Plan funding. To be used for the Caledon East and Bolton Community Improvement Plan areas.	No minimum balance is required for this reserve as it is to be used for noncritical purpose and to mitigate the impact on Tax needs.	Council Resolution is required to draw from reserve and reserve will continue to be funded through favourable variances relating to unpaid grants.
Development Approvals Stabilization	Contributions are received through annual surplus from the Planning process when available	Established in 2011 for the purpose of providing funds for the processing of residential and non-residential subdivisions and condominiums by the municipal development staff.	The optimal balance is four years of costs related to the Development Approval process.	Treasurer is authorized to draw from reserve to offset the Planning and Development deficit in any given year and be subsequently reported to council in a yearend operating report. Reserve will continue to be funded through surplus from the Planning process, of which fees are received under the Municipal Act Fees By-law and Planning Act Fees Bylaw.
Development Engineering Stabilization	Contributions are received through annual surplus from the Development Engineering Department.	Established in 2021 for the purpose of providing funds for the processing of residential and non-residential subdivisions and condominiums by Development Engineering Department. Fees are collected for subdivision development services and activities that span multiple years, and is highly sensitive to economic trends. The reserve is established to set aside fees collected, which are reallocated to operations when associated work is performed to more accurately match revenues with expenses.	Optimum balance is undetermined - based on forecasted requirements	Treasurer is authorized to draw from reserve to offset the Development Engineering deficit in any given year and subsequently reported to council in a yearend operating variance report. Reserve will be funded through surplus from Development Engineering, of which fees are received under the Municipal Act Fees By-law.

Schedule A to By-law 2020-104

Amended by By-law 2022-046, effective June 28, 2022

Reserve	Source of Funding	Purpose	Optimum Balance/Rationale for Levels Established	Rules of Use/Source of Funding /Other Considerations
