Good day, I am looking for a fee wavier request to the Town of Caledon. The by law in the invoice given to me is 2024 - 0144 which doesn't match any code highlighted in schedule E (refer to upload). I find this amount to be excessive nor do I understand how its calculated and since there is a no fault by law, I can't accept 100% fees being directed to me, nor can I afford it. I hope to have a fair and just resolution.
