Are you looking for Council Support?

Please provide a description of the issue or topic of interest that you would like to present to Council, including any other information about your request i.e. motion of support, funding request, information purposes, etc.

Request Type: We are seeking Council Support for the introduction and integration of Nexa, a career services platform, into the town's employment and career development initiatives. Presentation for Information Purposes: Nexa offers innovative tools that enhance job placement and workforce development by supporting job seekers, career centers, and employers. Ask of Council: We request a motion of support to partner with Nexa, potentially securing funding or integration with local career services. Nexa's tools would benefit the community by improving employment outcomes and reducing unemployment in Caledon. This will open opportunities to better prepare the workforce and directly contribute to economic growth.
