

Notice of Motion

Subject: To Request Mayor Dissolve the Single-Tier
Transition Committee
Member of Council: Councillor C. Early and Councillor D. Sheen
Meeting Motion Considered At: February 24, 2026 Council Meeting

PROCEDURAL PROCESS:

In accordance with Section 51.3 of the Procedure By-law, as amended, notices of Motion received in between a Committee agenda deadline and its agenda addendum deadline, or before a Council agenda deadline shall be placed on the agenda as a notice of motion for consideration at the next scheduled relevant meeting.

Notices of Motion delivered to the Clerk in accordance with the above section may be considered as a motion at the same meeting through the passage of a majority vote as a proposed agenda amendment, immediately prior to, or immediately after the notice of motion is before Council or Committee at the meeting.

MOTION:

Whereas the Single-Tier Transition Committee was established by Mayoral Decision 2024-01 (January 5, 2024) under Section 284.8 of the Municipal Act, 2001; and

Whereas Mayoral Decision 2024-01 explicitly defined the Committee's purpose as providing Council feedback to the Internal Transition Team in its liaison with the Provincial Transition Board; and

Whereas the Provincial Transition Board was dissolved effective December 31, 2024; and

Whereas the Committee is now *functus officio*—without a continuing purpose—given that the Provincial Transition Board, central to its mandate, no longer exists; and

Whereas any matters requiring Council coordination regarding service transitions or related governance issues can be appropriately addressed through regular Council meetings; and

Now therefore be it resolved that Council requests that Mayor Groves exercise her authority under Section 284.8 of the Municipal Act, 2001 to dissolve the Single-Tier Transition Committee, effective immediately; and

Be it further resolved that any future matters related to regional service transitions or municipal operational readiness be brought before the full Council for discussion and decision.
