Please state the purpose of the request to present (identify the subject matter to be discussed and any other relevant information):

I wish to outline my concerns about a hill on Shaw's Creek North of Highpoint Sideroad. This hill has been the site of two single-car fatal accidents. My view is that the configuration of the hill makes it inherently unsafe. The nature of signage on that hill suggests that the Town recognizes visibility difficulties for cars using the road at that point. My view is that the hill needs some reconfiguration to reduce the possibilities of further accidents. Such changes are well within the capacities of the Town with respect to the repair and upgrading of roads for convenience and safety purposes. I have had discussions/correspondence with Ms Groves and with Councillor Kiernan about my concerns.
